Please Read: IMPORTANT LETTER REGARDING GRADUATION

April 8, 2020

Dear HSSL seniors and parents:

This letter is to inform you that **Regents exams for all seniors will be waived (excused)** for the June 2020 graduation requirement. In order to have a Regents exam waived, you **MUST PASS ALL CLASSES**. Also, if you are enrolled in after school or Saturday classes, you must pass these classes in order to have your Regents exams waived. Please see below which applies to you:

1. **Seniors who have not passed Regents Exams and still need one or more Regents: you must pass all of your classes, including Saturday School and after school, to have your Regents exams waived and meet graduation requirements in June 2020.**
2. **Seniors who have all Regents Exams: you must pass all of your classes, including Saturday School and after school, to meet graduation requirements in June 2020.**
3. **Seniors who are on track to earn an Advanced Regents Diploma: you must pass all of your classes including your Spanish, Algebra 2 and/or Geometry class.**

Ms. Dorancy will be reaching out to all seniors that still need Regents exams to communicate this. If you don't know which one of the above applies to you, call Ms. Dorancy at 908-484-4587 or email at rdorancy@hsslinc.org

Very truly,

Principal Farkas
