Please Read: IMPORTANT LETTER REGARDING REGENTS

April 20, 2020

Dear HSSL Freshmen and Parents:

This letter is to inform you that **regents exams will be waived (excused)** for those students that are currently in a regents class, and PASSES the class, or have taken and passed the class in the past. In order to have a regents exam waived, you **MUST PASS ALL CLASSES**. Also, if you are enrolled in after-school or Saturday classes, you must pass these classes in order to have your regents exams waived. Please see below which applies to you:

1. **Student is currently taking a class that will result in regents: you must pass this class and earn the credit by June 2020.**
2. **Student is currently taking a class that will result in regents but did NOT pass this class in January or does NOT pass the class in June: you MUST attend summer school to earn the missing credit by August 2020 in order to be waived from that regents.**
3. **Student has previously taken and passed a class that resulted in a regents but DID NOT pass the regents: you must pass all of your classes and will be exempt from that regents exam.**

If you don't know which one of the above applies to you, please email Ms. Celestin at pcelestin@hsslinc.org
